Secretary: no report

Regional Representative:

Mr. Roman handed out articles/bulletins on following:

- Article passed around re: Long Horned Tick problem in Monmouth County
- Health Officers Report reviewed (Mr. David Henry)
- Wall left MCRHC and went to Freehold Township, along with Freehold Borough, & Upper Freehold Township who left and is now part of Hamilton Township
- MCRHC is down to 20 towns.
- Flu Clinics have started (schedule passed around)
- Rabies Clinic – Shrewsbury Fire House – Saturday 11/17/2018
10:00 am–11:30 am Volunteers needed
- Article – Public Health – “Keeping Rats Away from my Property” & Health Development Program at my child’s School”
- Public Health Nursing Reports for June, July 2018

- Bulletin – NJ Public Health Association
- Newsletter – NJ Local Board of Health
- State Department of Health – Newsletter – May, June
- State Department of Health – Newsletter – July, August
- MCRHC – Budget is being worked on
- **VNA** – they are supplying figures & facts as to what they are doing in each of the towns that they work in, which has been translated into dollars as to what is and what is not mandated health. The Health Department is responsible for the non-compensated care that is being provided, for clients without insurance. A DATA BASE is being compiled which will be used in next year's budget for those items that are uncompensated.
- Beach inspections have been completed
- Mr. Roman explained the SHIP document (State Health Improvement Plan) using the information provided from the consortium (County Level) which created the CHIP -Comprehensive Health Improvement Plan, which helps to create the CHOP – Comprehensive Health Assessment - that information is provided to the State to create the SHIP.
- State Commission of Health – has visited all the counties in New Jersey – In Monmouth County on 9/6/2018 re: ticks. There was a question/answer forum on public health, the new Governor maybe an advocate for public health.
