SYAA

Poker Tournament: Friday February 24

Mixer: Going to be scheduled for a convenient date for Rec Committee and SYAA

Lacrosse: Rob is working with Shore Skills Clinic to help run the Shrewsbury Based Program. It will be 6 weeks. Grades: K-4 will be Co-Ed and will meet 1hr a week and will be clinic style. Grades 5-8 will meet 2x a week, 1x during the week and 1x during the week. It will be a 6 week program. Little Silver Lacrosse is still an option for those that are interested.

Discussed using the Upper Fields at Manson for lacrosse.

Basketball Update: Overall the winter basketball league is going well.

Some questions were raised about the 3rd/4th grade girls having no games on Saturdays. The coaches decided that due to the smaller amount of girls playing that they would run it more clinic style and play a game against each other at the end. They are going to stick to this format for this season, but format is subject to change for next year. The boys league has more children signed up so they are able to have teams that play against each other.

We need to make sure that the open gym has supervision. The question was raised of how much do we pay for janitors on Saturdays during the winter basketball league.

We can still use some referees for the 1:10-2:10 time on Saturdays.

Baseball Update: Baseball registration is Open in Community Pass and at this point there are only 34 kids signed up and mostly K-3. Derek Fisher and Merric Polloway are the TRLL Reps.

Softball Update: Mike Keller will chair for the upcoming season.
